Ontario Securities Commission

AMENDMENTS TO NATIONAL INSTRUMENT 45-106 PROSPECTUS AND REGISTRATION EXEMPTIONS AND CONSEQUENTIAL AMENDMENTS

Subject to certain transitional provisions, amendments to National Instrument 45-106 *Prospectus and Registration Exemptions* (NI 45-106) and consequential amendments to certain other instruments came into force under the *Securities Act* on May 5, 2015.

NI 45-106 consolidates and harmonizes most requirements and exemptions related to exempt distributions.

The amendments:

- amend the credit ratings required to distribute short-term debt under the short-term debt prospectus exemption,
- amend NI 45-106 in relation to the prospectus-exempt distribution of short-term securitized products including the introduction of a prospectus exemption for short-term securitized products,
- amend the accredited investor prospectus exemption and the minimum amount investment prospectus exemption while taking account of certain amendments arising from the proclamation of subsection 12(2) of Schedule 26 of the *Budget Measures Act, 2009*, which moves certain provisions of NI 45-106 to the *Securities Act*, and
- introduce a family, friends and business associates prospectus exemption in Ontario while repealing the founder, control person and family prospectus exemption.

The full text of the amendments is available in the Ontario Securities Commission Bulletin starting at (2015) 38 OSCB 4135 and on the Commission's website at <http://www.osc.gov.on.ca>
